

## Example Scent List

AmbiSpace Ltd are able to produce and supply almost any scent to order for the AmbiSpace nebulising scent dispensing systems. Here are a few examples of what we have to offer.

### Lost World

#### Mummy (Egyptian)

The musty aroma notes in this aroma bring to life the thought of a dried out, dusty ancient embalming process.

### Animals

#### Horses/Stables

The aroma of stables and horses does what it says on the tin with a realistic aroma of horse stables.

### Burning

#### Burnt Wood

The scent you get off wood once it has burnt out with no smoke.

#### Havana Cigar

The scent of cigar and pipe tobacco before smoking.

#### Old Smithy

The smell of molten metal before it is struck on an anvil.

#### Firework

The scent of used fireworks with a smoky hint.

#### Wood smoke

The scent of a forest fire in full momentum.

### Christmas

#### Christmas Pudding

As close as you will ever get to the scent of a rich Christmas pudding without using one.

#### Christmas Time

A strong nostalgic scent which blends the perfect mix of Christmas aromas.

#### Christmas Tree

The strong scent of pine as you would find with a real Christmas tree.
